

2016-2020 Demographic Profiles

Geography

San Diego County

Population Aged 5
Years and Over:
3,118,216

*API: Asian or Other Pacific Islander

^NOTE: The language question refers to current use of a non-English language, not about ability to speak another language or the use of such a language in the past.

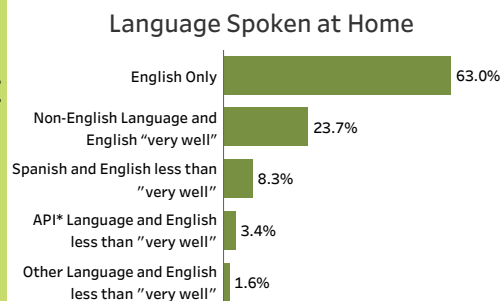

People who speak a language other than English outside of the home are not reported as speaking a language other than English. Similarly, people whose mother tongue is a non-English language but who do not currently use the language at home do not report the language.

Source: U.S. Census Bureau, 2016-2020 American Community Survey (ACS) 5-Year Estimates, Tables DP02, C16001.

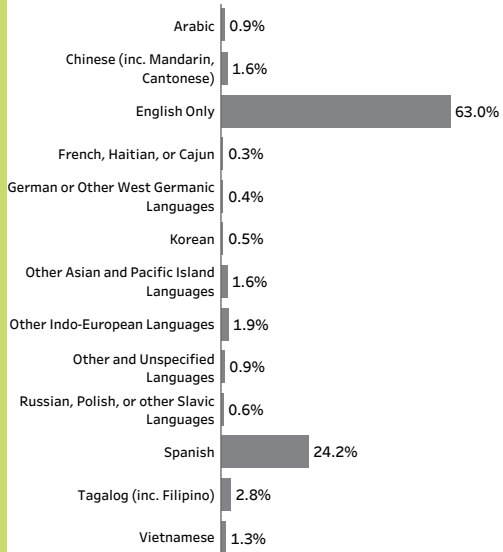

Prepared by County of San Diego, Health and Human Services Agency (HHSA), Public Health Services, Community Health Statistics Unit, 2022.
